January 2019

Are you joining the “new year, new you” crowd? Have you set goals and made resolutions? Have you chosen a word for the year, representing the growth you want to see in your life in 2019? Or maybe you want to grow but are exhausted and overwhelmed just thinking about all that you have to *do* to get there. Maybe there’s one simple change you could make, with little effort, to jumpstart growth in your life in 2019.

Turn down the noise, mental clutter, negativity, and distractions that make it hard to focus on God and His truth. **Take the 30-Day Challenge** and start 2019 with 30 days of Christian radio, where you’ll hear music and programs that will point you to God. WRGN will help keep your mind and heart focused on God’s Word, which will produce more peace and joy in your life!

“You keep him in perfect peace whose mind is stayed on you, because he trusts in you.”

-Isaiah 26:3

Music has a way of impacting us like little else... it inspires us and affects our emotions. It can lift us up when we’re feeling down. It gives voice to our feelings and, when needed, redirects them towards truth. On top of encouraging music, WRGN provides programming like *Focus on the Family*, *In the Market* with Janet Parshall, and *Turning Point* with Dr. David Jeremiah that keeps you grounded, informed, and growing.

This new year, experience the joy that God puts in your heart through WRGN. **Take the 30-Day Challenge** and replace the negativity and meaningless clutter with good news from WRGN—we’re here for you, to support your growth and keep you encouraged on your journey.

From us to you...

January 2019

To the WRGN listening family,

Lose 10 pounds in 10 days! Break bad habits in 21 days! 90 days to a healthier lifestyle! **Everywhere you look, someone is promising the year 2019 can be the year you can change your life for the better.**

Scripture tells us the only way we can truly be better is by becoming new, and the only way to become new is in Christ! 2 Corinthians 5:17 says *“Therefore, if anyone is in Christ, he is a new creation. The old has passed away; behold, the new has come.”* **The opportunity to enjoy this new life is talked about every day in some form or another here on WRGN, and every day you have the opportunity to share with someone about the music and message available on the station.** Take the time to share something we post on social media. Talk to someone about a program or song you heard recently on WRGN. Tell someone about the resources at the Good News Library (see page 5 for more details).

Marketers will tell you the best form of advertising is word of mouth, and although WRGN is a non-commercial station, **you can be a great “commercial” for listening to Christian radio.** Since this month starts our **30-Day Challenge**, you could even take the challenge with someone else! You may be surprised at just how much of an impact this one small thing could have in the lives of those around you!

Unlike the short term change that a 10 pound weight loss can bring, being “in Christ” changes us forever. This doesn’t mean that we will be perfect. Our old sinful nature is still present in us, but as we confess our sins, Jesus’ blood continually cleanses us. We are now called to a new life of holiness, obedience, surrender, and love for God. This is the start of an external change that is the result of an inner transformation.

Forever changed

happy new year FROM ALL OF US AT WRGN

New at the Library

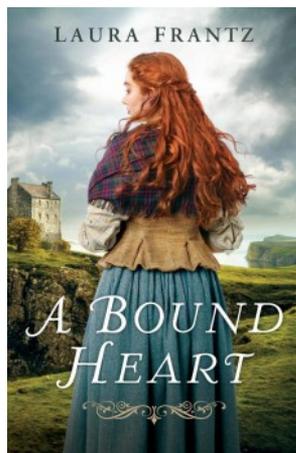

New year; new month; new features at the Good News Library! January's author of the month is Irene Hannon, who has written more than 50 romantic suspense and contemporary romance/women's fiction novels. Irene holds a B.A. in psychology and an M.A. in journalism. She juggled two careers for many years until she gave up her executive corporate communications position with a Fortune 500 company to write full time.

Our featured books for this month deal with "Getting Healthy", whether that may be a book on healthy eating, finding balance in our lives, or looking for simplicity in 2019! They're all here at the Good News Library; visit us weekdays 9-4:30 pm or Tuesday evenings until 7 pm!

Michael Card's latest book is *Inexpressible*. God's identity is beyond what we could ever fully express in human words. The Hebrew word *hesed* is a concept so rich in meaning that it doesn't translate well into any single English word or phrase. Michael Card unpacks the many dimensions of *hesed*, often expressed as lovingkindness, covenant faithfulness, or steadfast love. He explores how *hesed* is used in the Old Testament to reveal God's character and how he relates to his people. Discover what it means to be people of an everlasting love beyond words.

A Bound Heart is the latest novel from author Laura Frantz. Though Magnus MacLeish and Lark MacDougall grew up on the same castle grounds, Magnus is now laird of the great house and the Isle of Kerrera. Lark is but the keeper of his bees and the woman he is hoping will provide a tincture that might help his ailing wife conceive and bear him an heir. When his wife dies suddenly, Magnus and Lark find themselves caught up in a whirlwind of accusations, expelled from their beloved island, and sold as indentured servants across the Atlantic. It may be that in this New World the two of them could make a new beginning—together.

We hope reading great books is on your resolution list for the New Year! Stop by the Good News Library at the WRGN studios and discover thousands of resources including fiction and nonfiction books, audiobooks and DVDs! Annual memberships are just a \$5 donation.
