

Overnights Are Going LIVE!!

The Moody Broadcasting Network's most beloved voice, Mike Kellogg is retiring. Mike's remarkable career spans over four decades. Mike, an encourager-extraordinaire, writer, storyteller and air talent who deeply loves Jesus Christ, has been the only weekday host of *Music Thru The Night* since its inception. There will never be another Mike Kellogg. His voice and heart are irreplaceable.

Music Thru The Night Weekends will continue with Roger Basick, but the weekday program name will change to *Kurt Goff Live*. Kurt Goff has more than 25 years of broadcast experience in both television and radio, at stations

across the country. Most recently, he hosted an interactive live afternoon drive talk show in Buffalo, N.Y., called *LifeLine with Kurt Goff*.

Upbeat and encouraging, Kurt has a passion for connecting people to God. On *Kurt Goff Live*, this longtime Christian radio broadcaster brings you six hours of uplifting music, inspiring devotional insights, and faith-infused conversation with callers. Hear the heart of a pastor as Kurt engages listeners with words of hope and joy, all based on God's Word. His philosophy in life and in radio is that we have "Christ at the center, with the Bible as our guide."

We will certainly miss Mike Kellogg's soothing voice overnight on WRGN, but look forward to the interactive format of *Kurt Goff Live*. Call in and welcome him starting July 7th on your Good News Network.

From us to you...

July 2014

To the WRGN listening family,

This spring gave us an opportunity to meet many of you, between our "More Than A Yard Sale" with more in attendance than ever before, and the Ride For Radio with more new motorcyclists joining us for a day at the station. More and more are also finding out about the Good News Library here at the studios, and what a great resource it is! **Do you see the common word here? MORE!**

As we look around us, we see the many people looking for more. I'm not talking about more stuff, although many think that will fill the void they feel. Not more money either, although some think that will bring them satisfaction. **So how can we help those searching for more to find true satisfaction?** In John 10:10, Jesus says "...I have come that they may have life, and that they may have it **more abundantly.**"

We have been given much. We have teaching, music, and counseling available 24 hours a day on WRGN, but do we share it with those around us? **As part of our 30th Anniversary Celebration, we have been encouraging you to put a WRGN window sticker on your car to make it easy for you to share this resource.** Don't stop there though! Hear a great program? Tell someone else about it. Know someone struggling in relationships? Tell them about *New Life Live* on WRGN. Need prayer? Call and our prayer warriors will pray for you.

Looking forward to seeing MORE of you,

Tim & Heather

*"Now to him who is able to do **far more abundantly** than all that we ask or think, **according to the power at work within us...***

Ephesians 3:20

Here at the Studios

What a wonderful month it has been here at WRGN! We had great weather leading up to the “More Than A Yard Sale” so it made preparations much easier as we were able to set up tables and items without worrying about the rain. The day of the Yard Sale was perfect! We could not have asked for a nicer day, although we did pray for it!

Visitors enjoyed finding thousands of bargains spread throughout the grounds. From fitness equipment, holiday decorations, kitchen appliances, books, craft items and toys for the kids, there was something for everyone.

The Food Stand was quite busy serving breakfast sandwiches, and pancakes and sausage for breakfast and then a variety of options for lunch including hamburgers, hotdogs, pierogies and haluski.

Ruth Moase, our coordinator for our Plant Stand was extremely busy with her team of volunteers. The plant stand was the

most beautiful we think it has ever been and by the end of the day, there were only a few plants remaining. We enjoyed the opportunity to meet many of our listeners!

This year's Yard Sale was the most successful one to date. Thank you to over 100 volunteers who worked MANY hours before, during and after the event. And a huge thank you to Sharon Cease & Barb Saxe for coordinating the event.

Our other big event for June was our Ride for Radio. Again, it was a beautiful Saturday for a great motorcycle ride that took our motorcyclists down through Benton and Berwick, across the Susquehanna through Nescopeck and Mocanaqua and back to the WRGN studios for a delicious lunch and music with the praise band 2nd Chance.

Special thanks to Wendy Saxe for coordinating the food and sponsors and gifts for the event and to the many volunteers who helped set up and made food. Watch for more photos in next month's Radiogram.

Summer Reading...We Have That!

Rachel Strange, pictured on the right, is our newest member at the Good News Library. She is joined by sister, Abby, and mom, Beth.

New at the Library

The Good News Library has been busy now that students are out of school and enjoying some pleasure reading. We hope that you will stop by and see some of the latest additions to the Library.

Finding Spiritual Whitespace is a new book by Bonnie Gray. In this book she guides readers to discover a better story for themselves, one that feeds their souls and makes room for rest. Infused with biblical encouragement and thought-provoking prompts, this book shows us how to create space in the everyday for God, refreshment, and faith, right in the midst of our stress-frayed lives.

A new fiction novel, *I Will Not Be Silent*, by Robin Parrish, is a political thriller. The most popular evangelist of his day, John Luther simply wants to share the Gospel and enjoy a quiet life with his family. He never asked to be at the center of a political controversy, but an ill wind has been blowing through the halls of Congress. When Luther refuses to lend support to a new religious-equality bill, his life is turned upside down as he becomes a fugitive left with only one dangerous option.

Dee Henderson's latest novel, *Undetected*, follows the lives of Navy submarine commander Mark Bishop and Ocean Science researcher Gina Gray. Bishop is intent on keeping his crew trained and alert during their ninety-day submerged patrols. He longs for someone to come home to and the woman he has in mind may be too deep in her work to see the potential in a relationship with him. Gray

would love to be married but after a breakup she didn't see coming she has focused all of her attention on her research. She needs Mark Bishop's perspective, because what she has just figured out and told the Navy is only the beginning. If she is right, submarine warfare is about to enter a new and dangerous chapter.

Readers ages 8-12 will enjoy the book *A Less Than Perfect Peace* by Jacqueline Levering Sullivan. This book follows Annie Howard after she has welcomed her father back from World War II. But her once outgoing and gregarious father, now blind from the war, is retreating from the outside world. Annie is determined to help her father once again embrace life. Through new friends, refugees from Holland, she comes to see the world differently, to understand the deep consequences of war and the true nature of sacrifice.

A new Bible reference guide that kids will actually want to read is *The Big Bible Guide: Creation & Bible Animals*. Kids will discover fascinating descriptions of all the things God created in that amazing first week of history as well as 99 chapters on every animal described in scripture, from ants to eagles, grasshoppers to mules, pigs to worms!

Schedule a trip to the Good News Library this month and discover the thousands of Christian books, audio CDs and DVD's available for members to borrow. A year-long membership is just a \$5.00 donation. Library hours are weekdays 9:00 - 4:30.
