## Register Now, Ride On!

The roar of the pipes, the wind whipping past, leaning into the curves. All this and more are part of WRGN's 5th Annual *Ride for Radio* on Saturday, June 25.

This leisurely 60-70 mile ride through the beautiful back roads of Northeast Pennsylvania is a great opportunity to fellowship, to support WRGN, and to meet new people! Each year the route is a little different, but it always concludes at the WRGN studios with lunch under the pavilion, live music, and prizes!

Check-in will begin at 10:00 a.m. in the parking lot of WRGN in Hunlock Creek. Kickstands go up at 10:30 and our experienced ride leader will guide us through beautiful Northeastern Pennsylvania.

Even if you do not ride, you can join us for lunch and live music at the WRGN pavilion here at the

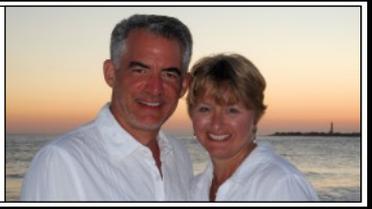

studios following the ride. Suggested donation for just the lunch and music is \$12.00. Reservations for lunch must be made by June 21.

If you have a gift card you would like to donate, or if you or your business can help with a prize donation, call Wendy Saxe at 570-881-1631.

Pre-registration includes a WRGN Ride for Radio t-shirt, entry in a drawing for giveaways, and the meal after the ride. You may register at [www.wrgn.com](http://www.wrgn.com). Suggested donation: \$25.00 for bikers, \$20.00 for riders.

Registration will be also be accepted the day of the event however, t-shirts for same-day registration will not be available. Pre-registrations will be accepted until Friday, June 17. The ride is open to any licensed motorcyclist.

*From us to you...*

June 2016

To the WRGN listening family,

Part of my morning routine after my walk but before I come into the station is to sit on the back porch and read God's Word (ok, most days I have a cup of coffee with me too!) Some days though, I skip one (or both) and when I do, those days don't feel quite right. **The Word of God is our lifeline!**

Did you know Psalm 119, the longest chapter in the Bible at 176 verses, is written specifically to extol the virtues of God's Word? **The Psalmist spends verse after verse talking about what the Word of God means to him**, how it keeps him from falling, how delightful it is, and how it will last forever.

One time my dad preached through Psalm 119 (but not in one Sunday!) and pointed out that each section starts with the 22 sequential letters of the Hebrew alphabet. More than a mere work of poetry though, **this Psalm can remind us how important the Word of God should be to us...yes, even more important than coffee!**

**Every day on WRGN, our goal is to bring the Word of God to light.** It could be a song, a message, a conversation on *Wake Up Right*, a verse during *Connect Live*, encouragement during *Refresh & Renew*, or worshiping together during *In Your Presence*. Take advantage of all that WRGN has to offer!

Hoping in His Word,

Tim & Heather Madeira

***Your word is a lamp to my feet and a light to my path.***

Psalm 119:105 (ESV)

## Pastors Promote National Day of Prayer

Pastor Karl Dyrli, Associate Pastor of Worship at Fellowship Church (center), joins Doug Hamilton and Dan Close on *Wake Up Right*.

Pastor Jacob Claypoole, Youth Pastor at Nebo Baptist Church (left), joins Doug Hamilton and Tim Madeira on *Wake Up Right*.

WRGN had the privilege of hosting pastors from throughout our listening area during the month of May as they worked together to host an annual event called "Circle The Square with Prayer." This year's event was relocated inside due to inclement weather, but it did not dampen the spirits of those in attendance as they prayed and celebrated answered prayer in NEPA!

## 410 Bridge Project Completed...Water!

Kurt Kandler, Executive Director of 410 Bridge came to the WRGN studios to give us an update on a project that had begun last year. Churches and businesses in NEPA worked together to fund and facilitate the construction of a water tank in Tumutumu, Kenya. The tank is now completed and Kurt was pleased to report it is full! The next step is to distribute the water throughout the area.

This is a huge blessing for the community of Tumutumu, and 410 Bridge wants to THANK everyone in NEPA that has come to walk alongside this community in Kenya. Our own Doug Hamilton will head to Kenya with 410 Bridge later this summer to see firsthand the work being done there.

## *New at the Library*

The Good News Library has many great features this month, including a display of audio books perfect for your summer road trip! The featured author for June is best-selling Christian author and preacher Max Lucado. He has written almost 100 books with 80 million copies in print and has been the recipient of the Gold Medallion Christian Book of the Year three times. His books have regularly appeared on several bestseller lists, including the New York Times. His writing is treasured by many Christians today.

If you're looking for a fun summer read, check out the new book *Sea Rose Lane*, from Irene Hannon's "Hope Harbor" series. After a devastating layoff, attorney Eric Nash heads back to the town where he grew up – only to discover that his childhood home is being transformed into a bed & breakfast. Instead of plotting his next career move in peace, he's constantly distracted by noise, chaos – and BJ Stevens, the attractive but prickly blonde architect and construction chief who's invaded the house. As for BJ, her client's son might be handsome, but after a disastrous romance, dating isn't high on her agenda. Yet when they join forces to create a program for Hope Harbor seniors, might they also find healing, hope, and a new beginning themselves?

In today's world, women are often rewarded for being confident, take-charge leaders who can handle anything on their own. Driven, demanding women achieve higher positions, better salaries, and praise for their ambition. Yet when it comes

to their marriages, those same traits can backfire. What is a wife to do? April Cassidy knows this struggle firsthand. She begged God to make her passive husband into a more loving, involved, godly leader. Instead, God opened her eyes to changes that she needed to make, such as laying down her desire for control and offering genuine, unconditional respect – not just love – to her husband. In her book, *The Peaceful Wife*, she shares how she and many others have learned to reorient their lives to biblical commands – resulting in healthier, happier marriages.

In a new romantic comedy from Janice Thompson, *Every Bride Has Her Day*, Katie Fisher is ecstatic. Basketball star Brady James has proposed, and she can't wait to start planning their life together. She's confident she'll make it down the aisle this time – but it still may be easier said than done. A high-society Houston bride has Katie and the Cosmopolitan Bridal team scrambling to get the perfect dress done in time for her spectacular wedding. Meanwhile, Katie finds herself bombarded with everyone's competing visions regarding her own special day – and she's beginning to worry that her own ideas will get lost in the crossfire. Will she ever manage to settle all of the details for her perfect day? Or will bridal shop chaos and overzealous friends and family make a mess of everything?

The Good News Library is open weekdays 9 a.m. to 4:30 p.m. and the first Saturday of every month from 9 a.m. to 1 p.m.
