

Buy a Bundle? (Or a Bunch)!

Roof Project, April 26th

WRGN is celebrating its 30th anniversary this year and we are asking if you will celebrate with us with a special \$30 gift!

In the fall of last year, we mentioned the need to put a new roof on the building that houses our studios. A bundle of shingles costs about \$30. Can you “buy a bundle” to help us celebrate and put a new roof over our heads?

We have also had several people with roofing experience offer to help on the project. Maybe going up on the roof is not one of your gifts, but you could help with some of the “ground work” as the project progresses.

Maybe even that is beyond your ability, but you can purchase a bundle of shingles, or even two!

You know the old saying, “*Many hands make light work?*” Well,

it is true, and between those who can help up on the roof, those who can help on the ground, and those who can buy a bundle of shingles, this project can be accomplished quickly!

Mark your calendar for April 26th (rain date May 3) and get ready to “raise the roof” at the WRGN studios. With the experienced contractors and volunteers working together on this project, we should be able to accomplish this project quickly.

Call 1-800-245-3688 if you can help that day on the roof, on the ground or by providing food. You can also “buy a bundle” (or a bunch!) for \$30 each. Send a check to WRGN, 2457 State Route 118, Hunlock Creek PA, 18621 with “Buy a Bundle” in the memo section or donate online at www.wrgn.com and note that your gift is for the roof project.

From us to you...

March 2014

To the WRGN listening family,

Every eight years, each radio station in the state of Pennsylvania must renew their license with the Federal Communications Commission. We are in that process right now and we want to take this time to renew our commitment to you to bring you the best Christian programming we possibly can.

As a listener supported station, WRGN operates in a segment of the radio band (88 to 92 on the FM dial) reserved for non-commercial, educational broadcasters. In our case, the educational content is not only subjects that help strengthen families with good counsel, safe content and news from a Christian perspective, but also help to build us up in the faith. 2 Timothy 3:16- 17 tells us *“All Scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness, that the man of God may be complete, thoroughly equipped for every good work.”*

Over the next several months, you will hear spots on WRGN about this renewal process, as well as read legal notices in area newspapers. While it is important for us to fulfill our responsibility to the FCC under the law, it is just as important for us to fulfill our responsibilities to you, the listener. We appreciate your input, and take seriously the responsibility you and God have entrusted to us.

Thank you for your support and words of encouragement as we join with you to minister in the communities where God has called us to serve.

Equipping you,

Tim & Heather Madeira

For many Christians, Gethsemane is a brief rest stop on the way to the main story — the cross. But there are critical questions that demand explanation. *Secrets From the Garden*, a new radio special uses

interviews and sounds from Israel, combined with dramatic vignettes and original music score to paint a dramatic Easter landscape. Listen Good Friday at 9:00 p.m. or Easter Sunday at noon.

Here at the Studios

While the weather has been frigid outside, our activities inside have been sufficient to keep us plenty warm!

Many of you participated in our “Love letters to Jesus” as Dan Longmore had asked WRGN listeners to write letters of 100 words or less to express their love for our Savior. On Valentine's Day, Dan announced three winners who were selected at random from all those who had submitted letters. Winners included Julius Zuckerwar, Swoyersville, Irene Walent, Wyalusing and Margaret Haney, from Allentown.

With Olympic fever in full swing, Jessica selected fun questions for Connect Live! that dealt with Olympic trivia. When we asked what year the Jamaican bobsled made its appearance at the Winter Olympics, we received a call from a listener who said he knew the answer to the question, because he was there! Tim and Dan interviewed Hans Lawaetz from St. Croix who served as the U.S. Virgin Islands Olympic Committee president for sixteen years. It was interesting to hear about the Olympic events he had attended from Canada to Japan, from France to Australia.

Our translator for the Hazleton area needed repairs from the manufacturer, and once it was returned, Operations Manager Dan Close was able to get it back in

operation. That repair job was much easier than the other recent trip Dan took with Tim to the Lehigh Valley translator, which sits atop Blue Mountain above the tunnel for the Northeast Extension of the PA Turnpike. Between two storms, Dan and Tim made the trip as we had reports that the signal was experiencing difficulty in the Lehigh Valley. Traveling by jeep, they made it about halfway up the mountain until the snow was too deep. They grabbed the tools that they believed to be the most needed and walked the rest of the way up the mountain...and back down!

February proved to be the snowiest on record for Northeastern Pennsylvania. As the snow was pushed from the parking lot into a mound at the back of the lot, it created quite a hill to the back lawn of the station. Dan and Elizabeth (Tim & Heather's daughter) took advantage of the snow one Friday afternoon for some sledding!

Close to 350 people turned out for the WRGN President's Day skate. Mt. Zion Baptist Church encouraged their church to come as a group and close to 50 people from their church family attended! Wayne Morgan from the National Network of Youth Ministries shared our devotion for the evening. It was a fun evening both for the skaters and for us to be able to meet many of WRGN's listeners!

Cub Scouts Visit

Cub Scout Pack 241 came to visit the studios of WRGN as part of the fulfillment requirements for their Communications Badge.

The scouts enjoyed the opportunity to learn how a radio station operates as well as hear their own voices in our production studio.

WRGN regularly gives tours to area schools or other groups. If you would like to arrange a tour of our studios, call us at 1-800-245-3688 to make arrangements.

Mission Possible Planned

Missionary operator Tiffany Bowman and WRGN's Tim Madeira celebrate a successful Share-A-Thon last year in the West Indies with fresh mango juice.

Believe it or not, it is time once again for us to do our part in helping this missions outreach! WRGN's *Mission Possible* is scheduled for Thursday, April 24th as we help raise a portion of the funds necessary to keep WIVH on the air. Mark your calendar and prepare to participate!

FRONT ROW LIVE!

MOODYRADIO

with

Selah

Selah, the contemporary Christian vocal trio consisting of Todd Smith, Allan Hall, and Amy Perry will be guests on Moody Radio's *Front Row Live!* on Friday, April 25. They are

the winners of five Gospel Music Association Dove Awards. The two-hour live concert will be broadcast from 8:00–10:00 p.m. on WRGN. Listen online at wrgn.com.

Get Spotted and Win!

Now that warmer days are on the horizon, clean the back windshield of your vehicle and apply a WRGN window sticker! Window stickers were mailed to listeners who participated in last fall's Share-A-Thon. If you would like to receive a sticker to place on your car, truck, camper, or even bicycle, call us at WRGN at 800-245-3688 or email us at wrgn@wrgn.com and one will be sent to you!

By putting the sticker on your vehicle, you are helping to promote the ministry of WRGN! Through you, others may become familiar with the station and its Christian music and teaching programs. Who knows? You may plant a seed while you are at a stop sign or red light and by tuning in,

someone may come to know Jesus as their Savior.

We are also running a contest each month for our WRGN window stickers. Take a picture of where your window sticker is stuck and post it to our Facebook page at facebook.com/wrgnfm or email your photo to wrgn@wrgn.com; or mail the picture to WRGN 2457 State Route 118, Hunlock Creek, PA 18621. You will be entered into our monthly prize drawing.

You might also win instantly if you are spotted by our prize patrol that will be on the lookout for your sticker! Simply call 800-245-3688 with your prize code and you will receive a CD of music!

Coming in May!

If you are cleaning out your library, consider donating your Christian books to our upcoming book sale.

Call 1-800-245-3688 to arrange a time to drop off books at the station.
