

THRIVE

Share-A-Thon 2015

November 4-5-6

Excitement is building here at the station as preparation is well underway for this year's Share-A-Thon. Wednesday through Friday, November 4-6, WRGN staff and volunteers will be here to take your phone calls as we reach for this year's goal.

The theme of this year's Share-A-Thon is *Thrive*, and the goal is \$160,000. It's a really small price to help families and individuals thrive across NEPA—and around the world as they listen online!

WRGN broadcasts 24 hour a day, seven days a week, 365

days a year as a non-commercial, listener supported resource for individuals and families. Would you consider sponsoring just one of those days? This ministry can't happen without the support of people like you. Yes, you can make a difference in people's lives.

As we pray and plan for this year's Share A Thon, will you pray and ask God what He would have you give, then call today to make your Faith Promise for 2016? No need to wait for Share-A-Thon to begin. **You can reserve your Day Sponsorship now. Call 1-800-245-3688 to find out how!**

Just one week after the See You At The Pole Rally, Tim Madeira had a providential meeting with the lead singer from *As The Trees*, Jared Campbell, who was on an excursion from New York with his family to Tunkhannock.

Tim was able to share with Jared that someone was challenged by the message at the rally, and gave his heart to the Lord in the parking lot that night! It was great to rejoice together with the angels!

From us to you...

October 2015

To the WRGN listening family,

Milestones are fun to mark. If you have ever been on a roadtrip, you know how good it feels to count down the mile markers as you head toward your destination, especially when you can't wait to get there! **Sometimes though, we can be so intent on the destination, we miss out on the journey.** This can happen in our daily walk as well. Colossians 2:6 says, *"Therefore, as you received Christ Jesus the Lord, so walk in him."*

The start of our walk with Christ should be the first milestone of growth as we move from the milk to the meat of the Word. WRGN listeners say the music and message help them become stronger in their faith. One listener recently wrote, ***"I credit much of my growth in my Christian walk to the ministry of WRGN. Thank you for the great ministry. You are changing lives and bringing people closer to the Lord every day."***

If you are living IN your faith, the Holy Spirit will help you live OUT your faith! **That means those around you will see the growth.** We recently celebrated my great-nephew's first birthday, the first of many milestones he will mark on his journey through life. I (Tim) am getting ready to celebrate my 50th this month, and it would be a little odd for me to celebrate the same way my great nephew did. We grow, change, and hopefully flourish!

As we near Share-A-Thon time at WRGN consider **helping others thrive** by supporting the ministry of this station. Watch your mailbox for some special pre-Share-A-Thon offers, then make your Faith Promise to this listener supported ministry for the upcoming year!

Helping others grow,

Tim & Heather Madeira

"...rooted and built up in him and established in the faith, just as you were taught, abounding in thanksgiving."

Colossians 2:7 (ESV).

Here at the Studios

The highlight of our September here at WRGN is the energy and excitement surrounding the student-led event *See You At The Pole*. This year's *See You At The Pole* included student leadership training in August, a rally with students on September 20, and the annual live broadcast on September 23 as Tim Madeira and Doug Hamilton talked to students as they gathered around their school flagpoles to pray for each other, their friends, their families, their school, their community, and more. This year's *See You At The Pole* rally featured worship led by **As The Trees** and Tim and Doug spoke with lead singer and guitarist Jared Campbell on *Wake Up Right* in September.

September 16 was Stepfamily Day and Ron Deal, host of the 60-second feature *Family Life Blended* (2:30 p.m. and 8:45 p.m. weekdays), took some time to talk with Tim and Doug on *Wake Up Right* and share his heart for building and strengthening the millions of people in America who are a part of a blended family. Whether as a result of death or divorce, there are complexities that are unique to blended family living that require some wisdom to walk through. Tune in to *Family Life Blended* to hear daily tips and wisdom regarding healthy stepfamily life.

Actor Liam Matthews shared on *Wake Up Right* about his role in *Do You Believe?*, which was recently released on DVD. A copy of *Do You Believe?* was given away to the high school recipient in our recent **Back to School** give away. Congratulations to our winners: Kendyl, kindergarten; Jacob, grade 5; and Gabrielle, grade 10.

General Manager Tim Madeira recently spoke in chapel at River of Life Christian Academy and WRGN participated in a ministry fair at Misericordia University in Dallas, PA to let college students know about local ministries and churches.

Share-A-Thon 2015 is right around the corner. Watch your mailbox for a letter with all of the details and how you can make a pledge to Share-A-Thon before November!

As Dan Close shared on a recent **Connect Live!** show, "only three months until Christmas!" WRGN will present a live radio Christmas show at Lemmond Theater, Misericordia University on Saturday, Nov. 21. This program will be taped in front of live "studio" audience and then will also be aired on WRGN during the Christmas season. This is definitely a night you do not want to miss! **Read page 7 for all of the details!**

As sure as the leaves fall and the temperatures drop, it's time for a few minor adjustments to the WRGN program schedule. We are adding more local programming and a few short features sprinkled throughout your day as well.

We have doubled the amount of Praise and Worship music in your weekend, as local host Denise Warner is now bringing you *In Your Presence* both Saturday AND Sunday evening.

We have also added two short programs to help you grow in your walk, *Family Life Blended* with Ron Deal and *Share Life Today* with John Sorensen.

New at the Library

The Good News Library is glad to announce that we will be open the first Saturday of every month from 9:00 a.m. - 1:00 p.m.

Lisa Anderson recently wrote *The Dating Manifesto*, a no-holds-barred word on dating, preparing for marriage and maximizing singleness from someone who's actually living it. Lisa proposes that your attitudes about marriage and the path to marriage are wrong and have translated into bad action (or no action) in dating and relationships. It's not too late for you to break the cycle of dating dysfunction and learn to honor marriage, marry well, and live intentionally while you wait. Lisa also hosts *The Boundless Show*, heard on Saturdays at 1:00 pm on WRGN. *The Boundless Show* is celebrating its one year anniversary this October! Lisa's goal with Boundless is to help 20- and 30-somethings grow up, own their faith, date with purpose and prepare for marriage and family.

Do you ever just wish the world would stop for a day so you could catch up? No matter how much we accomplish in a day, we nearly always feel a little guilt over what we didn't do. In *Taming the To Do List*, Glynnis Whitwer exposes a seismic shift in society: from one in which most of us were proactive to one in which we carry the burden of having to respond--to every email, text, tweet, and message we receive. This creates a cycle where everyone else sets the priorities of our days rather than us directing our own lives. The result is that we procrastinate, putting

off the important stuff for later while we tend to the "urgent" stuff right now. This book shows you how to take back your schedule and tame your to-do list!

"Taking the Plunge" is a new audio volume of *Adventures In Odyssey* and features six stories about commitment and resolving conflict. Families will enjoy the exciting, character-building entertainment of *Adventures in Odyssey* while joining Wooton, Penny, Connie, Eugene, and the rest of the folks in *Odyssey* as they take the plunge to learn about commitment, discernment, expectations, resolving conflict, family legacies, and more.

According to Alex Kendrick, director of *War Room*, *Courageous*, and *Fireproof*, the new movie *Beyond the Mask* is "a great movie for families that love history, action, adventure, and romance." The leading mercenary for the British East India Company, Will Reynolds, has just been double-crossed and now is on the run in the American colonies. Working to redeem his name and win back the affections of Charlotte, with whom he's never been fully truthful, Will now hides behind a new mask in hopes of thwarting his former employer. As his past life closes in on him, Will must somehow gain the trust and the help of his beloved Charlotte, as well as Ben Franklin, while he races against time to defuse a plot of historical proportions.

We hope to see you at the Good News Library this month as we celebrate our 13th anniversary!
